Dear Blair,

Just a friendly reminder about the upcoming American Public Works Association (APWA) event and Local Technical Assistance Program (LTAP) classes. In addition, we will be notifying you in the next couple of weeks about opportunities to come see Hot In-Place Recycling and Micro-surfacing live in Sandy Springs, GA! We hope to see you soon!

100% Asphalt Recycling - No Wearing Course Required

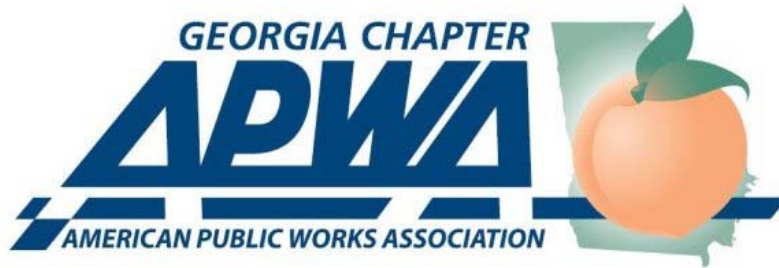

After spending 30 years in construction and dedicating 15 of those years to recycling education, this is by far the most exciting, innovative technique to date. Gallagher Asphalt Construction Company, a leading pioneer in the business, is now making this once futuristic idea affordable for every municipality across the nation.

Biggest display of Public Works, Construction, Landscaping Equipment, and Suppliers.

Make sure to stop by The Barnhardt Group's booth to learn more about MicroPAVER® pavement evaluation, asphalt recycling, and pavement preservation!

FREE GA DOT LTAP Workshop on Pavement Management, Distress Evaluation, Rehabilitation, and Preservation. To sign up for these classes download the enclosed [PDF Sign Up Sheet](#) and either email it to ltap@dot.ga.gov or fax it to 404.463.3564 (the GDOT LTAP office).

You can also sign up online at:
<http://wecs.dot.ga.gov/Login.cfm>

Locations:

March 1 - Columbus, GA
March 3 - Garden City, GA
March 4 - Augusta, GA
March 8 - Gainesville, GA

During this fun filled day we will cover MicroPAVER, pavement distress evaluation, pavement management, all methods of asphalt recycling including Cold In-Place Recycling (CIR), Full-Depth Reclamation (FDR), Hot In-Place Recycling (HIR), and pavement preservation techniques such as Slurry and Micro-surfacing. You will learn how other agencies nationwide are saving millions of dollars while receiving 6 PDH's.

In the meantime if you have any additional questions or would like more information on our services please email us
